## Diamonds fantastic win against Eastbourne Borough

It was a cold chilly night when Rushden and Diamonds beat Eastbourne Borough in an spectacular football match. 1038 people attended with just 14 away supporters. Since the start of the game the Diamonds were playing very strongly and within the first ten minutes there were several free kicks, Eastbourne made very little impact on the Diamonds play. Forty three minutes

in to the game Farrells brilliant free kick gave Louis the chance to score a brilliant goal just before half time. In the second half Corcoran nearly set up another chance. In the fifty second minute Michael Corcoran scored a goal. At the end of the mach the final score was 2-0. Their next match will be on

Saturday against Stevenage Borough.
